RUSSIANS HAVE RECEIVED
A SEVERE REVERSE

GREAT LOSSES INFLECTED ON THEIR ARMY IN WESTERN GALICIA

THEIR BALTIC PROVINCES ALSO THREATENED--OTHER PARTS OF WAR THEATER REPORT

NO IMPORTANT OPERATIONS

(Associated Press)

London, May 4.—It is reported that Russian reverses in western Galicia today overshadowed all other developments in the war situation. Official and unofficial advices from all sources indicate that the Russians have been pushed back a considerable distance.

PUNISHMENT OF RUSSIANS WAS
WELL PLANNED

Vienna, May 4.—Reports of the sudden Austro-German attack on the Russians showed it was the result of an elaborate plan, and was made by a large army of fresh troops.

The Austrians have also resumed operations against Montenegro.

German official advices concerning operations in the west confirm the French and British reports of German attacks near St. Julien, but nothing is said about the allies' assertion that hill No. 60 is again the object of the German offensive.

ALLIED TROOPS LANDED NEAR
EPHESUS

Athens advices say the bombardment of the Turkish ports on the Gulf of Smyrna has been resumed. The warships of the allies also continue shelling the forts of the Dardanelles.

The allies are reported to have effected a landing near the site of ancient Ephesus, thirty-five miles south-east of Smyrna.

BATTERING THE BOSPHORUS

Russia is again cooperating in the attack on Constantinople by bombarding the forts on the Bosphorus.

BERLIN CLAIMS CAPTURE OF A
BIG BUNCH

Berlin, May 4.—The Russians lost 21,500 prisoners to the Germans and Austrians in the recent heavy fighting in western Galicia, according to the official statement of the German war office today. Much war material and many guns were captured.

SMASHED RUSSIAN CENTER

London, May 4.—According to Berlin and Vienna, the German and Austrian armies have achieved a notable victory in West Galicia, smashing the entire Russian center along a front of many miles across the whole western tip of Galicia, from near the Hungarian border to the point where the river Dunajec joins the Vistula, right at the frontier of Poland.

Though the 8,000 prisoners the Teutonic allies say they have taken does not compare with the number which some of Field Marshal von Hindenburg's rushes netted him in the north, the achievement, if subsequent reports bear it out, will mean at least a temporary check to the Russians hammering their way westward since the fall of Przemyśl.

Berlin is celebrating the victory, though it is admitted flags have been flown before full details are at hand.

PRESSING RUSSIA IN BALTIC
PROVINCES

In the fighting in the Baltic provinces also Berlin finds cause to rejoice. Rejecting the Russian contention that it is only a sporadic cavalry raid, Berlin wireless comment says it seriously threatens the Russian right and the fact that troops could be moved so far before they counter resistance is considered a reflection on the Russian intelligence system.

ANOTHER GAME
WITH CITRA
THURSDAY AFTERNOON

Blue Prints of Grand Stand Almost Complete and Work Will Soon Commence on Building

Manager Hunter of the Ocala ball team informs the Star that the Citra team will be here for its revenge Thursday afternoon. The boys from the north end have been practicing steadily, and are going to put up the game of their lives.

The blue prints for the new grandstand are about completed, and bids for the work will soon be asked for. It is the intention to put up a stand that will hold about 350 people, and construct it so that it can be added to as desired. If Ocala folks would turn out as they should a 350-stand should be packed at every game.

HOUSE SUSTAINED
THE DAVIS BILL

A special to the Times-Union from Tallahassee says: The House steam roller was in finest working order again this afternoon and the Dancy motion to reconsider the Davis bill, House bill No. 222, was gently but effectively laid on the table by the generous vote of 47 to 17.

CROSBY INTRODUCED
THE OCALA CHARTER

In the House of Representatives Monday, Mr. Crosby introduced the Ocala charter as follows: House bill No. 638. To extend and enlarge the powers of the municipality known as the city of Ocala, Marion county, Florida, and to provide for the appointment of certain city officers of the said city by the city council thereof and enlarging and prescribing the powers and duties of the city council of said city; not referred.

(Associated Press)

Mobile, Ala., May 4.—Jesse Patch, a negro held on the charge of attacking a white woman, was lynched by a mob near Fulton late yesterday. News of the hanging reached here today. The sheriff's posse was overpowered while taking the negro to jail. The negro is said to have been identified by the woman attacked.

SAVED THE CETRIANA

American Cruiser Denver Rescued a British Steamer from Mexican Authorities

(Associated Press)

San Diego, Cal., May 4.—With the British steamship Cetriana's commander detained ashore, the vessel's \$200,000 cargo would have been confiscated by military authorities at Ensenada, Mexico, had it not been for defiance offered by the ship's first officer, J. A. Seaberg of this city, and the intervention of the United States cruiser Denver, according to Seaberg's story told here of the Cetriana's escape. The vessel was towed into San Diego harbor yesterday, her bunkers bare of coal and with neither food nor water aboard.

K. OF P. SHOULD
PUT A MARK
ON THE CALENDAR

Certain to be Great Doings at the Meeting on the Night of the Seventeenth

Besides the regular routine of business at last night's meeting of the Ocala Knights of Pythias one application for membership was accepted. No rank work was put on for the first time in many moons.

The entertainment committee put the Knights on notice that they might expect "things" at the meeting of Monday night, May 17th. They say that refreshments will be served and when asked just what the remainder of the program will consist of they "jes laff" and say nothing.

At the meeting of the 17th the committee appointed some weeks ago to work on the proposed new castle hall will make its report and it is understood that it will be a most favorable one.

The Ocala Knights who fail to put a big mark on the calendar and remember the 17th will regret it.

PURVIS AND HANDLEY

A writer in the Times-Union, describing the state prison farm at Ralston, speaks as follows of these two gentlemen, well known and much liked in Ocala:

Supt. D. W. Purvis has brought this beautiful farm from a wire grass area to a very productive body of land. He intends making this a model farm, producing everything grown in middle Florida and raising all kinds of stock in abundance. He is a man of wonderful energy, good judgement, and always on the job. It is a pleasant sight to watch him going among the convicts. Never passes one without speaking a kind word. He knows them all and they know him. I think Capt. Purvis is the best man for the place he holds today in the United States. He is just and kind, a humanitarian, and not bigheaded. Too much cannot be said in his praise.

One part of this large building is divided off for the hospital and operating room for the surgeon. Any person entering this hospital and operating room without being told would think he was going into some up-to-date sanitarium. This is all in the hands of Dr. D. R. Handley, a very successful physician who shows his worth by keeping the camp in good health. Besides being a mighty good doctor, he is a pleasant gentleman with a charming wife and little boy, T. M. Mrs. Handley is very much interested in the doctor's work and has a kind word for all sick and afflicted.

TWO FOR ONE

Fight in the North Sea was in Favor of the British

(Associated Press)

London, May 3.—A German submarine Saturday sank the old British destroyer Recruit off the Galloper lightship, in the North Sea, out the score was more than equalized by other British destroyers, which, after a stern chase, overtook and sank the two German torpedo boats that had accompanied the submarine on her cruise.

PLANS OF JAPAN
FOR ORIENTAL PEACE

ARE NOT TO BE FRUSTRATED BY UNTIMELY CHINESE OBJECTIONS

(Associated Press)

Tokio, May 4.—Minister of Justice Okaki is quoted by the newspapers as saying that the cabinet had decided to send an ultimatum to China, urging reconsideration of the decision to make no more concessions to Japan. Official circles explain that Japan doesn't want to use force, but China must realize that Japan is determined on the acceptance of its program for solidifying Oriental peace.

AMERICA AND GREAT BRITAIN
HAVE NO AGREEMENT

London, May 4.—The United States and Great Britain have entered into no formal negotiations on the subject of Japan's demands on China. Foreign Minister Grey announced this today in the House of Commons, and added that the only communication between the American and British governments has been brief, in a formal conversation in February between Ambassador Page and a representative of Great Britain.

KING COULDN'T LEAVE THE
CAPITAL

Rome, May 4.—The announcement that the king and cabinet will not leave the capital to attend the unveiling of the Garibaldi monument at Gaste Sentelana, has created profound interest and a deep impression on the public. The abandonment of the plan for the king and cabinet to attend the unveiling is believed to be the result of a call on the foreign minister by the German ambassador, who submitted new proposals. The cabinet will consider these today.

SOME FORMS OF
RHEUMATISM CURABLE

Rheumatism is a disease characterized by pains in the joints and in the muscles. The most common forms are: acute and chronic rheumatism, rheumatic headaches, sciatic rheumatism and lumbago. All of these types can be helped absolutely by applying some good liniment that penetrates. An application of Sloan's Liniment two or three times a day to the affected part will give instant relief. Sloan's Liniment is good for pain, and especially rheumatic pain, because it penetrates to the seat of the trouble, soothes the afflicted part and draws the pain. "Sloan's Liniment is all medicine." Get a 25c. bottle now. Keep it handy in case of emergency.—Adv.

BOYS IN NEW YORK
BEING BUTCHERED

Specially Cruel Variety of Murder Being Perpetrated in the Big City

(Associated Press)

New York, May 4.—Convinced that Charles Murray, the four-year-old boy murdered in a hallway of a lower East side tenement last night, was slain by the same men who on March 19th killed Leonore Cohn, aged five years, the police today made unusual efforts to arrest the murderers. Both crimes are "ripper" murders, presenting many similar features. Several men found loitering in the Murray neighborhood were arrested today but most of them were released after the little sister of the slain boy failed to identify them as the man she saw leaving the hallway shortly before the boy's body was found.

MEETING OF VETERANS

Marion Camp, No. 56, U. C. V., met May 4th, 1915, with W. E. McGahagan commanding.

Prayer by Chaplain Henry. The following comrades answered to roll call: Alfred Ayer, J. L. Beck, J. P. Barron, J. H. Brooks, M. J. Chitty, M. P. Frink, W. J. Folks, B. I. Freymuth, L. M. Graham, W. A. Hammond, H. W. Henry, H. N. Knoblock, A. McIntosh, J. C. Mathews, W. O. Massey, W. E. McGahagan, J. M. Martin, B. H. Norris, J. W. Nance, C. C. Priest, William Richardson, Joe Shuford, L. P. Stevens, J. S. Weathers.

Minutes of last meeting read and approved. The camp ordered the five delegates to be given the five badges and if they cannot go, to hand the same to the alternates.

It was moved and carried that the meeting in June be dispensed with as most of the veterans will be in Richmond at that time and our next meeting will therefore be in July.

Comrade Hammond gave an interesting account of how he stole the general's rations during the war.

Alfred Ayer, Adjutant.

A few weeks ago I had an attack that was so severe that I was not able to go to the case for two days. Failing to get any relief from any other treatment, I took three of Chamberlain's Tablets and the next day I felt like a new man," writes H. C. Esley, editor Carolina News, Chapin, S. C.
